About Us

We Provide Banking, Remittance, Financing and Investment Services to Accommodate for Productive Projects.

Proprietors: Multi-national entrepreneurs Over the past few years, the Diasporas and the entrepreneurs in the region had been thinking to establish effective financial institutions in the region. Salaam financial services is a pioneer in that trend. The bank mobilizes the ideas and wealth of Diasporas of the region in order to harness them in the reconstruction and development of their original countries.

Objectives:

The major objectives of Salaam Financial are the following:

1. To do all the banking operations and services in line with the Islamic sharia.
2. To pool the savings of households and firms to finance viable sharia complaint projects.
3. Mobilize the ideas and wealth of Diasporas of the region in order to harness them in the reconstruction and development of their original countries.
4. To bring the most creative financial services and products to the customers.
5. To contribute to the economic development of East African communities in general and Somali community in particular.
